3. Nomination of beneficiary/ies

You may make a **Non-binding nomination via MemberAccess**.

All members of legalsuper may make a death benefit nomination. The Trustee will consider the most recent valid nomination that you have with legalsuper.

You may elect to make either a Binding or Non-binding nomination of beneficiary/ies to whom your accrued legalsuper entitlements (plus any insurance proceeds) (**Death benefit**) will be paid in the event of your death.

Please note: a death benefit nomination only applies to the particular legalsuper account that you specify that nomination for and the most recent valid nomination will apply only to that particular account.

The most recent valid Non-binding nomination will replace any previous Non-binding nomination for that particular account, whilst the most recent valid Binding nomination will replace any previous Binding or Non-binding nomination for that particular account.

A valid Non-binding nomination of preferred beneficiaries is not binding on the Trustee, but will assist the Trustee in exercising its discretion. The Trustee will determine what proportion of your entitlements goes to one or more of your dependants and/or your legal personal representative (estate) on your death. Unless the Trustee decides to pay the benefits to your legal personal representative, your entitlements will not form part of your estate and will therefore not be subject to the terms of your Will.

A valid Binding nomination of beneficiaries will bind the Trustee to pay your entitlements on your death exactly as you specify. Your nomination will only be valid and binding if it is made in accordance with relevant requirements. The requirements include that you sign and date the declaration in section 4 in the presence of two persons over 18 years of age who witnessed you sign and date the declaration, and those witnesses are not included in your nomination. You must submit this form with original signatures to the Trustee.

Please remember: a Binding nomination is only valid for three years from the date you sign it, confirm or amend it.

The Trustee does not accept any nomination made under any form of Power of Attorney.

You can nominate both individual beneficiaries and a legal personal representative (estate).

'Dependant' is defined as:

- (a) the spouse of the person, any child of the person and any person with whom the person has an interdependency relationship at the relevant time (being in the case of a deceased person the date of their death); and
- (b) any other person who in the opinion of the Trustee is at the relevant time (being in the case of a deceased person the date of their death) wholly or partially dependent on the person.

'Interdependency' means:

Two persons have an interdependency relationship if:

- (a) they have a close personal relationship;
- (b) they live together;
- (c) one or each of them provides the other with financial support; and
- (d) one or each of them provides the other with domestic support and personal care.

Two people have an interdependency relationship if they have a close personal relationship but do not satisfy the other requirements of an interdependency relationship because either or both of them suffer from physical, intellectual or psychiatric disability.
