

Introducing legalsuper's New Employer Portal

legalsuper's new Employer Portal is an integrated clearing house and self-service administration platform, provided by Wrkr, designed to help you meet your super obligations.

Getting ready for Payday Super

Under the Payday Super legislation, effective 1 July 2026, employee super payments will need to align with each pay run. The new Employer Portal supports pay-cycle processing with real-time data entry checks, automated alerts and clear reporting across single or multiple ABNs.

Key features

- Single login for all super compliance admin
- Simple, user-friendly interface
- Real-time validation and status tracking
- Secure MFA sign-in
- Digital employee onboarding, including super stapling
- Multi-entity switching for multiple ABNs
- Smart alerts and in-platform guidance
- Bulk contribution file upload with reusable templates
- Built for Payday Super

Who can use the new Employer Portal?

Business owners, bookkeepers and payroll service providers who manage super contributions on behalf of an employer.

Transition timing

Key transition dates will be confirmed and communicated to employers in due course. Visit our website for the latest updates.
